AMERICAN ASSOCIATION OF PEOPLE WITH DISABILITIES
A 501(c)(3) nonprofit

Positions

1. Get 21st Century Communications & Video Accessibility Act of 2009 (HR 3101) passed! Write Congress! Deadline: Jan 2011
2. Captioning for the deaf and Video Description for the blind & visually impaired on the Internet is inadequate.
3. Deaf and Hard of Hearing People are being left out.
4. The technology exists to caption on the Internet.
5. Captioning also benefits hearing children learning to read and hearing adults learning English.
